# 2004A Time Accounting - Summary of Changes

- Last update was presented to Feb 2005 OpsWG
- Time accounting is almost final:
  - Rollover programs have now been terminated (at end of 2005A)
  - Data for GS is complete, last 4 nights of GN data still to be included
    - Final version of *timecharges2004A.pdf* will be distributed when finished
- Some notes:
  - 55hr of GN Band 1 rollover unused (25hr in ToO programs)
  - 82% of GN Band 1 allocated time was used (and 44% of Band 2)
  
  - 93hr of GS Band 1 rollover unused (27hr in ToO progs, 56hr in Phoenix progs)
  - 73% of GN Band 1 allocated time was used (and 29% of Band 2)
